A NOT FOR PROFIT FOUNDATION (501c3) TM

Dear Potential Sponsor,

The Ted Rhodes Foundation, Inc. is asking for your support of our 2022 initiatives by serving as a corporate or individual sponsor. The Foundation was created in 1994 to preserve and honor the legacy of golf pioneer Ted Rhodes and further his vision of making the game of golf open to all races. The foundation is honoring his vision by advancing future generations of minority golfers by hosting educational events, golf clinics, and golf tournaments for youth and adults. Also, the foundation provides financial support to Historically Black Colleges and Universities (HBCU) golf teams and golf team members. Lastly, we also partner with local urban youth golf programs.

We are excited to announce our 2022 event and sponsorship opportunities. Sponsorship opportunities are available for companies and individuals. Contact us at info@tedrhodes.org or (877) 913-9009 to receive additional information or express an interest in being a sponsor.

Regards,

Peggy Rhodes-White
